DC Highways had advised that there was adequate speed signs in place in relation to the rural road protocol and should a community speed watch be set up they would be willing to carry out the associated survey of traffic volume. The Clerk advised that Dorset Road Safe have added King's Stag to the list of sites to be visited by the Camera Team and that Pulham community speed watch had offered to help with a community speed watch if one was to be set up.

The cost of village gates at £4,000 and a speed indicator device (SID) that could be sited at two locations in both villages at a total of £4,230 was felt to be a lot of money in relation to the total precept of £7,000. It was noted DC Highways recommend that the SID's are moved every 6 weeks and at least 2 volunteers in each village would be required to do this.

RESOLVED: It was proposed and agreed to commission DC Highways traffic surveys at two locations in Kings Stag B3143 and Lydlinch A357 at a total cost of £775.00

9. For the Parish Council to purchase of a new bench for Lydlinch Z Cheetham

Various options of benches made from recycled material were considered

RESOLVED: Agreed to purchase the Elwood model from Glasdon at a cost of £768.56

10. For the Parish Council to purchase a defibrillator for Kings Stag. C May

P Batstone suggested taking advice from the Dorset Village Defibrillator Scheme.

DEFERRED: To the January meeting
